

Fall in a Flash

With your caregiver's permission collect the contact information for friends and family. Use this sample script and develop your pitch as you reach out to your future customers.

Sample Script:

Hello! It's _____. I'm talking to you today as a Girl Scout in Troop _____. Our fall program has just started, and we have some delicious options like our chocolate covered almonds, new Cheddar Caramel Crunch, or my favorite, the _____. We also have online a large selection of magazines and new this year we have a mini BarkBox for dogs, Tervis tumblers and bottles. Are you interested in viewing our full selection or making a purchase to support our troop? Our goal this year is _____.

If Yes!

Thank you! I will send you a link to make the purchase online from my page. Would you prefer an email or text? (*confirm email address if they would like it emailed*).

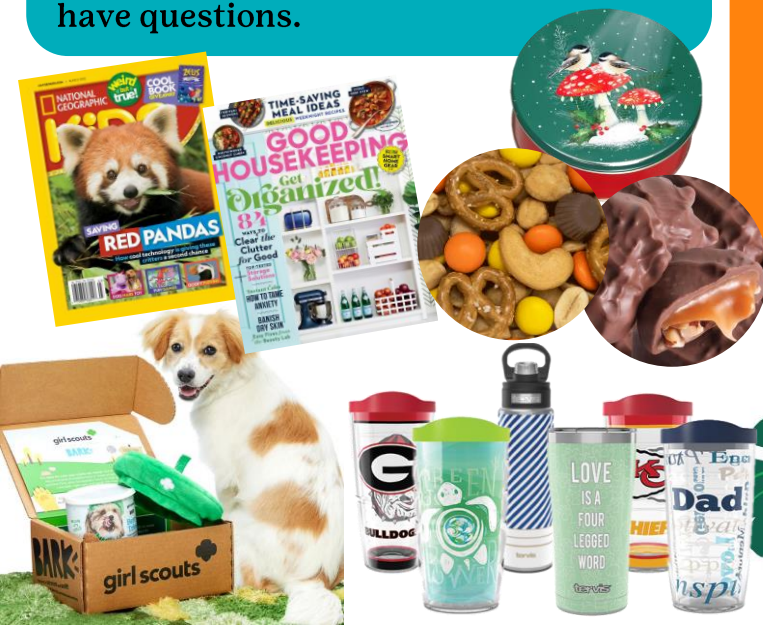

Share this tip if local and placing an online order for nuts and chocolates: Select "Girl Delivery" to save on shipping. Once the nuts and chocolates are here in mid-November, I will call to set up the delivery for when you are home. Thank you for your support. Please and let me know if you have questions.

If No.

Thank you for your time, and for allowing me an opportunity to practice my business skills. Have a nice day!

No answer? Leave a voicemail!

Hello, this is _____ from Girl Scout Troop _____. I'm sorry I missed you! I was hoping to share information about some of the tasty Sweets & Treats my troop has available to fund our activities. I will follow up this voicemail with a ___(text/email) with the direct link to my site to order nuts and chocolates, magazines, Tervis tumblers or a Girl Scout Themed BarkBox for dogs. Thank you for your time and have a great day.

Tip:
Save your email list to send Digital Cookie emails in January!
