## Burn Ban Now in Effect at GSWCF Properties

Girl Scouts of West Central Florida  
4610 Eisenhower Blvd.  
Tampa, FL 33634  
813-281-4475 / 800-881-4475  
[gswcf.org](http://gswcf.org)

To align with current burn bans in place across the state of Florida due to the elevated fire danger in our region, Girl Scouts of West Central Florida is mandating a **burn ban** that prohibits or restricts open **burning** at all Girl Scout properties, including Girl Scout camps and Girl Scout Houses **effective immediately**. Propane and contained charcoal fires for cooking are still allowed.

With the welfare of our members a priority and as good stewards of the land, Girl Scouts supports efforts to protect the public health and promote safety; and prohibit activities that include **open fires**, and any other activity which could reasonably lead to the ignition and/or spread of wildfires.

This ban is in effect now, and will remain in effect until further notice.

For more information, please visit [Florida Current Fire Conditions](#).

Thank you,

Kathryn Owen  
Chief Operating Officer
