As you prepare your end of year finance report, get the girls involved and help them learn valuable skills that will serve them throughout their lives.

**Don't know where to start?** Go to chapter 5 of Volunteer Essentials and review the examples of the financial abilities of girls at each grade level.

Bridging from one Girl Scout level to another is a defining moment when a girl and her family celebrate her achievements and are ready for new adventures and responsibilities. Girl Scouts bridging ceremonies are fun, personalized, and memorable for everyone involved.

SEE OUR NEW BRIDGING GUIDE IN THE APRIL ENEWSLETTER TO HELP YOUR TROOP PLAN THEIR NEXT BRIDGING CEREMONY.
