## Keep in touch with Girl Scouts over the summer!

Most troops do not meet over the summer months but there are still plenty of activities you can participate in as an individual Girl Scout or with your family!

**1** Attend Girl Scout Summer Camp where you can try new things, explore the outdoors and make awesome new friends.

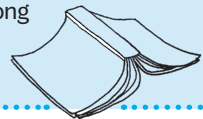

**3** If your passion is Arts and Theater, head to Universal Orlando to see the Blue Man Group, or get dressed up for an evening at the Straz Center to see *The Little Mermaid*.

**4** Plan a mini troop reunion and register for Twilight Travelers at Busch Gardens. Spend the night at the park and wake up to enjoy a safari across the Serengeti Plain.

**5** Enjoy Girl Scout Day at LEGOLAND Florida Resort on May 13 where you can ride rollercoasters, walk through Mini-Land USA, and earn your first driver's license at the Ford Driving School.

**2** The summer is the perfect time for a Service Project! Go to a beach clean-up, visit the Humane Society or collect gently used books and bring them to the Resource Center at the council. We are collecting books to donate to the library for the Year Long Cause on literacy.
