We are committed to providing the best opportunities for our members. Therefore we strive to notify members of any cancellations a minimum of two weeks in advance with full refunds for any instances where registrations are cancelled by GSWCF. Should a member register and not be able to attend we ask that members notify us two weeks in advance of the activity in order to receive a refund. Your registration may be refunded in full or in part depending on the type of activity. Some activities require a cancellation fee where GSWCF will only refund a portion of the overall registration. There are no refunds for no-show registrants. Information regarding cancellation fees and refunds can be found in the description of each activity when registering.
