Troop sponsorship is a voluntary partnership between Girl Scout troops and community organizations working together to bring Girl Scouting to all girls.

The sponsoring organization may provide meeting space for a troop or group, donate needed items such as handbooks, uniforms, flags, camping equipment, etc. or financial support. Financial support is \$250 maximum annually per troop (there may be more than one financial sponsor for a combined total of \$250).

All charitable contributions shall be made only to the Girl Scouts of West Central Florida. Incorporated in the state and designated as a 501(c)3 organization, the Council is the only tax-exempt entity. Monetary contributions should provide on the check or with correspondence, the troop number. Any additional amount over the \$250 will be placed in the Family Partnership Annual Campaign to benefit additional girls served by the Council. This amount will be credited to the Service Unit and the Troop as part of their contribution.
