

Matching Gifts for Contributions and Volunteer Hours

Many companies offer a matching gifts program and will match their employees' donations to any registered nonprofit organization. This could double your donation to the Council. To see if you are eligible, contact your Human Resources Department. If the employer has a matching gifts program, the donor should request a matching gift application to complete his/her part and send it to Girl Scouts of West Central Florida along with his/her donation. Girl Scouts will complete our part and send it back to the company.

The following companies have indicated that they have a matching gift program. However, this is not a comprehensive list. Contact your Human Resources Department to see if your corporation participates in a matching gift program.
