

## **MouthPower Online Patch Program for Brownie and Junior Girl Scouts**

Earn the Mouth Power Patch as a troop/group, with your friends or on your own. Use the internet to learn about our mouths, teeth and ways to keep them healthy to earn the MouthPower Patch! Work on it as a troop/group, with your friends or on your own. Be sure to work with an adult to use the internet safely!

### **Information for Adults**

MouthPower Online was developed by the Dr. Samuel D. Harris National Museum of Dentistry ([www.dentalmuseum.org](http://www.dentalmuseum.org)) to help girls learn about oral anatomy, understand the effects of certain foods, oral hygiene habits, and cigarette and spit tobacco use on oral health. The website is divided into six sections lead by a character guide named "Mouthie." All participants can receive a participatory patch upon completion of the program.

### **How to Help Girls Earn the MouthPower Online Patch**

Learn about MouthPower Online on the Group Leader Orientation page ([www.mouthpower.org](http://www.mouthpower.org)).

Have girls explore MouthPower Online ([www.mouthpower.org](http://www.mouthpower.org)) and earn their certificates.

Make check payable to: University of Maryland/NMD

Send your payment and Group Leader Report to:
