You Can Make a Difference in The Life of a Girl

Without adults playing many pivotal roles, Girl Scouting couldn't happen. Whether you're a leader/advisor, parent or guardian, volunteer, or mentor, you awaken in girls their promise to develop to their full potential. Research shows that the influence one caring adult has on a child will last a lifetime.

Girl Scout volunteers come from all walks of life – community leaders, college professors and students, professionals, retirees, stay-at-home moms and dads – and from all nationalities, economic backgrounds and age levels. They have one thing in common – they all bring special talents and expertise that enrich the Girl Scout program and the lives of the more than 33,000 girls served in our eight-county jurisdiction of Citrus, Hernando, Hillsborough, Marion, Pasco, Pinellas, Polk and Sumter counties.

As a Girl Scout volunteer, you will share in the fun and excitement as girls experience new challenges. The girls and our communities will benefit as you help girls build self-esteem and decision-making skills.

How to Help

We're looking for volunteers ages 18 and older who represent the diversity of the world we live in – men as well as women, senior citizens as well as younger adults, people of all racial and ethnic backgrounds and, of course, our treasured alumnae.

Our volunteers are inspiring, invaluable and they have a profound impact on everyone they help. Whether you volunteer for one hour or one year, you'll have fun and feel great knowing that you have helped build girls of courage, confidence, and character, who make the world a better place.

Flexibility is key for Girl Scout volunteers. Whether you have an hour, a day, a weekend, or more, the energy you share with Girl Scouts will instill in girls confidence that will last a lifetime.

For additional information on volunteering or to apply to be a Girl Scouts of West Central Florida volunteer, please visit www.gswcf.org.

How We Support You

There are many volunteer opportunities available to fit any schedule. Some are troop leaders and work directly with girls, while others choose to work with adults on task groups or committees.

By giving your time to Girl Scouts of West Central Florida, you will acquire valuable job experience, network with professionals, develop *your* leadership skills, participate in your community and try new things, all while inspiring and empowering girls throughout central Florida.

Girl Scouts of West Central Florida provides extensive training as part of its commitment to adult volunteers, as well as offering Council-wide activities such as camping and planning events that all Girl Scouts can attend. Our Council website, www.gswcf.org, is available 24/7 for your reference as well.
