

# 2009 Girl Scout Calendar: Call for Entries

Change Your World – Call for Entries.

Girl Scouts of the USA is searching for shining examples of how their girl members are changing the world. Girl Scouts of all ages from across the globe, including Girl Scouts Overseas, will be featured in the 2009 Girl Scout calendar.

We invite Girl Scout councils to submit a summary of a project in which troops/groups and/or individual girls are involved, which is impacting and improving the community and world. The project must have been completed between 2006 and now. Submissions must be sent to [2009calendar@girlscouts.org](mailto:2009calendar@girlscouts.org) and must include details of the project and the results. Submissions must also include a minimum of two photos that would help bring the project to life. All submissions must be sent via councils by email only. No phone calls will be accepted.

Councils are asked to share this note with their membership (leaders, girls, etc) to encourage submissions. The final product will be a girl-centered and inspiring calendar that highlights the wonderful work of Girl Scouting.

**Deadline for submissions: January 23rd 2008.**

If your project and photos are selected you are automatically granting GSUSA usage rights for the 2009 calendar. Sender retains all ownership of their materials.

You will be notified by December 31st 2008 if you are selected
