

October 2009

In an effort to continually evaluate the effectiveness and usage of all of our properties, the decision was recently proposed by the Office Relocation Task Group and approved by the GSWCF Board of Directors to relocate the Ocala office to Camp Wildwood, effective at the end of 2009. Making decisions about our properties continues to be a major focus for the board. Prior to making these recommendations, this group considered the responses to a member survey regarding the location of our Main Service Center, along with feedback from town hall meetings in 2008 and forums at the 2009 annual meeting, and utilized maps showing the population trends and accessibility of all of our office sites in our eight county jurisdiction. Of course, the operating budget was also looked at as we continue to work in an economically challenging time.

Membership (girls, volunteers, community) currently served out of the area by Julie Linhart, CDM serving Marion County, and Roni Francois, CDM serving Sumter, Citrus and Hernando counties can continue to use current contact information for both staff members. Telephone numbers and e-mail will remain the same 813-262-1798, rfrancois@gswcf.org (Roni Francois) and 813-262-1821, jlinhart@gswcf.org (Julie Linhart) moving forward as not to cause an interruption in service.

CDMs spend a majority of their time “in the field” serving our members’ needs; however, there will be working space available to meet with members at the Camp Wildwood office, upon request. Please contact Julie or Roni for further information.
