Customer: Why did your cookies increase to \$6?

You can say: All cookie proceeds stay within our local council and fund our girl-led activities. And now, all our cookie varieties are the same price (\$6).

Customer: Why should I buy a box of cookies?

You can say: Your purchase supports us and our girl-led activities. Because of Girl Scouts and cookies, I've been able to _____ and this year our goal is to _____.

Customer: I'd love to help, but I can't eat Girl Scout Cookies.

You can say: I'm sorry to hear that. Would you like to gift a box or two to our Gift of Caring (or Hometown Heroes) program? Your support will help our troop reach our cookie sales goal AND you will also be giving back to the community.

Customer: I already bought a box.

You can say: Thank you so much for supporting Girl Scouts! Our cookies only come around once a year, and they freeze **really well**. You may want to buy one more box to save for later in the year when you're craving Girl Scout Cookies. My favorite to freeze is: _____.
