

Juliette (Individually Registered Girls) Proceeds

Council Credits

Juliettes earn council credits when they sell cookies!

- Credits are distributed by the Product Program Department to Juliettes, which are also referred to as Individually Registered Girls. Caregivers will receive an email from GSWCF informing them of the total amount of council credit their Girl Scout earned. The email will be sent out after the program concludes and all money is collected from caregivers.
- Council credits can be used for membership, summer camp, programs, events, destinations, and items in the Girl Scout Store.
- Any girl with an outstanding balance due will not receive council credits or rewards until the full balance due is paid.
- For general questions regarding council credits, please email info@gswcf.org.
- For assistance using council credits, please contact the Customer Care Team at info@gswcf.org or 813-281-4475.

Processes & Procedures

- The Juliette's adult sponsor will attend training with other troop cookie chairs and is required to sign an agreement. The Product Program Department issues the Juliette's Cookie Manager a unique Juliette number for eBudde purposes.
- The Juliette's Cookie Manager manages the Girl Scout by entering orders into eBudde, distributing the cookies, depositing all collected money into the council's account using the bank account information provided, and orders the Juliette's rewards. Please note: No proceeds are kept by the Juliette Cookie Manager or the girl(s).
- Any Juliette with an outstanding balance due will not receive council credits or rewards until the full balance due is paid.

Council Credits Distribution

Council credits are based on a range of cookie sales. Girl Scouts earn the highest level of council credit achieved (see chart) for the highest number of packages sold. Council credit is not cumulative.
