

For Girl Scout Juniors, Cadette, Senior and Ambassador Troops Special Troop Proceeds Opt-Out Program

For the **2024 Sweets & Treats Fall Product Program**, Girl Scout Juniors, Cadette, Senior and Ambassador Troops have the opportunity to select the opt-out program!

Troops who decide to opt out of rewards, will receive all patches and Project Thank You Rewards. They will also receive additional 2% in proceeds for total 17% of all sales.

Together, girls and their adult leadership begin the Girl Scout year by working through the 5 Skills for girls: setting program goals, making decisions, money management, people skills and business ethics. Many of our Girl Scout Juniors, Cadette, Senior and Ambassador troops have very ambitious activities planned, and while rewards are nice, they see a need for funds to support their many projects.

The decision to participate in the opt-out program should be decided by all girls participating in the 2024 Sweets & Treats Fall Product Program. All participating girls must be present to sign the opt-out agreement on the reverse side of this flyer and turn it in to the Service Unit Fall Product Manager by Oct. 21, 2024.

Tips for Opt Out troop discussions

- Discuss troop budget and troop goals
- Have girls calculate troop proceeds and how much additional proceeds would be earned if opt out
- Explain opt out must be 100% agreed upon by all girls

**2024 Sweets & Treats Fall Product Program
