

For Girl Scout Juniors, Cadette, Senior, and Ambassador Troops Special Troop Proceeds Opt-out Program

For the 2025 Cookie Program, Girl Scout Juniors, Cadette, Senior, and Ambassador Troops have the opportunity to select the opt-out program!

Troops who decide to opt-out of rewards, will receive all patches and Gift of Caring Rewards. They will also receive an additional \$.05 in proceeds per package.

Together, girls and their adult leadership begin the Girl Scout year by working through the 5 Skills for Girls: setting program goals, making decisions, money management, people skills, and business ethics. Many of our Girl Scout Juniors, Cadette, Senior, and Ambassador troops have very ambitious activities planned. While rewards are nice, they also see a need for funds to support their many projects.

The decision to participate in the opt-out program should be decided by all girls participating in the 2025 Cookie Program. All participating girls must be present to sign the opt-out agreement on the reverse side of this flyer and return it to the Service Unit Cookie Manager by March 9, 2025.

Please make sure to check the "Opt out of rewards for add. Proceeds" box in eBudde by March 9, 2025 to update the settings.

Troops who are being treated as Juliette/IRG due to not meeting requirements are not able to opt-out of rewards for additional proceeds.

Tips for Opt Out troop discussions:

- Discuss troop budget and troop goals
- Have girls calculate troop proceeds and how much additional proceeds would be earned if opt out
- Explain opt out must be 100% agreed upon by all girls
