

Juliette (Individually Registered Girls):

Council Credits

Juliettes earn council credits when they sell cookies!

- Credits are distributed by the Product Program Department to Juliettes (Individually Registered Girls).
- Caregivers receive an email from GSWCF informing them of the total amount of council credit their Girl Scout earned. The email is sent after the program concludes and all money is collected from caregivers.
- Council credits can be used for membership, summer camp, programs, events, destinations (through GSUSA destination expenses or travel conducted with EF Tours or Explorica), and items in the Girl Scout Store.
- Any girl with an outstanding balance due will not receive council credits or rewards until the full balance due is paid.
- For questions regarding council credits or assistance using council credits, please email info@gswcf.org or call 813-281-4475.

Processes & Procedures

- The Juliette's adult sponsor (Juliette cookie mentor) attends training with other troop cookie managers and must sign an agreement. The Product Program Department issues the Juliette's cookie mentor a unique Juliette number for eBudde purposes.
- The Juliette's cookie mentor the Girl Scout by entering orders into eBudde, distributing the cookies, depositing all collected money into the council's account using the bank account information provided, and orders the Juliette's rewards. Please note: No proceeds are kept by the Juliette cookie mentor or the girl(s). Proceeds are earned by troops.
- Juliette's cookie mentor will submit receipt from bank teller to council as proof of deposit using JotForm link <https://gswcf.jotform.com/team/product-program/2026-gscookie-juliette-bank-deposit>
- Any Juliette with an outstanding balance due will not receive council credits or rewards until the full balance due is paid.

Council Credits Distribution

Council credits are based on a range of cookie sales. Girl Scouts earn the highest level of council credit achieved (see chart) for the highest number of packages sold. Council credit is not cumulative.
