

For Girl Scout Juniors, Cadette, Senior and Ambassador Troops Special Troop Proceeds Opt-Out Program

For the **2026 Sweets & Treats Fall Product Program**, Girl Scout Juniors, Cadette, Senior and Ambassador Troops have the opportunity to select the opt-out program!

Troops must have a minimum of 5 registered girls with 3 girls participating with at least one girl participating is unrelated. Participating is selling at least one item under the girl in the M2 system. If a troop who decides to opt-out of rewards will receive earned patches, Care to Share and \$900+ GSWCF membership rewards only. The troop will also receive an additional 2% in proceeds for total of 17% of all sales received by Oct. 19th.

Together, girls and their adult leadership begin the Girl Scout year by working through the 5 Skills for girls: setting program goals, making decisions, money management, people skills and business ethics. Many of our Girl Scout Juniors, Cadette, Senior and Ambassador troops have very ambitious activities planned, and while rewards are nice, they see a need for funds to support their many projects.

The decision to participate in the opt-out program should be decided by all girls participating in the 2026 Sweets & Treats Fall Product Program. All participating girls must sign the opt-out agreement form and submit JotForm by Oct. 13.

<https://gswcf.jotform.com/form/2026-fall-troop-opt-out-submission>

Troops who are being treated as IRG due to not meeting required troop requirements to earn troop proceeds are not able to opt-out of rewards for additional proceeds.

Tips for Opt-Out troop discussions

- Discuss troop budget and troop goals
- Have girls calculate troop proceeds and how much additional proceeds would be earned if opt out
- Explain opt out must be 100% agreed upon by all girls participating
