

2026 Sweets & Treats Fall Product Program Tips for New Troops

Most Important

- Remain calm.
- Don't stress your Girl Scouts, troop, or caregivers.
- Focus on the overall experience for your Girl Scouts.
- Ask questions. Go to your service unit or info@gswcf.org.
- Remember to have fun and encourage your Girl Scouts to do the same.
- Celebrate successes.

Connect with Others

- Reach out to other troop volunteers.
- Ask older Girl Scout troops to mentor your Girl Scouts about the Sweets & Treats Fall Product Program.
- Spend extra time talking with your Girl Scouts about the assortment of products. This exercise lets you learn about their talent to develop their individual sales pitch.

Strive for the Troop Bonus

Earn \$10 per girl for your troop by having each girl do the following in the M2 system:

- Register her account.
- Sell at least five online items by Oct. 5.

Girl Scouts who complete these tasks will also earn the online patch!

The \$10 per Girl Scout helps your troop with start-up funds and is deposited directly into your troop's account by Oct. 30.

Start Early

- Be prepared for the start of the season.
- Complete training timely.
- Communicate with caregivers about the program and dates.
- Share the excitement of the season with your Girl Scouts and caregivers.
