Sponsorship Opportunities

**Florida
Polytechnic
University**
Lakeland, FL

April 6, 2024
10 a.m - 2 p.m.

Every year, STEMapalooza brings the world of innovators to life through workshops, exhibits, STEM panel experts, hands-on activities, giveaways and more! Girl Scouts is committed to closing the gender gap by showcasing fun STEM learning opportunities and representation of diverse women leaders in STEM.

With over 1,500 Girl Scouts and families attending, join us in inspiring the next generation of STEM leaders to discover their boundless potential.

Support Girl Scouts as trailblazing innovators.

27%

of women fill science
and engineering
occupations.

Supporting Girl Scouts of West Central Florida allows us to bring STEM to girls throughout our 8 county footprint in building their confidence and critical thinking skills for a future where technology is everywhere. Your partnership will enable girls to thrive today- and set the stage for their future success.

Benefits:

- Your support can help over 1,500 girls break barriers and embrace a future of STEM opportunities.
- Representation of diverse women in STEM careers
- Encourage curiosity and engagement in STEM exploration and learning
- Join the distinguished community of those who are committed to supporting girls.
- Engage employee volunteers.
