

2025 Destination Summer Camp

Friendships begin in Girl Scouts!

Girl Scouts and Girl Scout summer camps are special. When you come to Camp Indian Echo, Camp Wai Lani or Camp Wildwood, you join a family who stands by you, encourages you and cheers you on, whether you have your feet on the ground or are ziplining through the air!

At GSWCF camps, your counselors and friends appreciate your true self and help remind you that, “you are brave, you are strong and you can do this!” Girl Scout camp is a place to go on adventures, develop new skills, build new relationships, and strengthen existing ones.

So ... ride that horse, climb that wall, hit that target and row your way to victory! Girl Scout camps offer all these amazing opportunities and so much more!

Please note:

GSWCF gift certificates are only valid at Girl Scouts of West Central Florida shops and cannot be used for online purchases.

Gift certificates do not expire.

We pre-look up Council Dough prior to girls arriving at camp. It is difficult to manage limits given to us by care givers. If you want to set limits on the amount they spend—you should talk with your camper prior to camp drop off. We will ask them if they have a limit to jog their memory—but ultimately it is their responsibility to be truthful.

ORDER NOW

All care packages, add-on packs, and Trading Post gift certificates are available for purchase during registration or on check-in day at camp, while supplies last.

Counselors-in-Training (CIT) & Interns

Calling all future camp counselors! If you are ready to unlock your leadership potential and inspire young campers with your love of the outdoors, start working towards your Counselors-in-Training (CIT) Award.

Entry into our CIT and intern programs is based on the completion of an application and interview with the camp director and is not guaranteed. Space is limited. Upon successful admittance to the program, you will receive registration instructions. Applications open on February 8.

To ensure a meaningful and reflective experience, CIT 1 and CIT 2 cannot be completed in the same year. This policy allows participants to fully absorb and reflect on the skills and lessons gained during CIT 1 before advancing to CIT 2. CITs will be better prepared for the challenges of the next level, ensuring a more successful and impactful leadership development journey.

Counselors-in-Training 1

In Counselors-in-Training 1 (CIT 1), you'll gain practical experience facilitating camp programs and learning how the summer camp operates and serve as the fun camp guide to our youngest campers. The CIT 1 program is designed for those who are ready for leadership and responsibility at camp.

Seniors/Ambassadors
(Campers entering grades 9-12)

Counselors-in-Training 2

Advance your leadership style and discover the rewards of being a camp counselor! In Counselors-in-Training 2 (CIT 2), you will be hands-on in developing and facilitating activities for campers, rotating between archery, challenge courses and program areas. This is a two-week program, but you will get to go home over the weekends.

Camp sessions are two weeks; campers are not allowed to stay overnight at the camp on Saturdays.

Seniors/Ambassadors
(Campers entering grades 10-12)

Camp Interns

As a camp intern, you will spend your time at summer camp focusing on a specific program area of interest, having an active role in the units and learning how camp is run. Admission is based on application submission and an interview with the camp director.

Camp sessions are two weeks; campers are not allowed to stay overnight at the camp on Saturdays.

Ambassadors (campers entering grades 11-12)*

**Successful completion of CIT 1 and CIT 2, as well as earning both the CIT 1 and CIT 2 awards, are prerequisites for the intern program.*

Day Camps

Day camp is the place for you to learn something new, have adventures and make new friends! Throughout the day, you will craft, swim, hike and participate in age-appropriate adventure and water activities. If this is your first time camping, you will begin building your confidence and agency away from home. If you are a returning camper, you will serve as a guide to your new friends in experiencing the magic camp! This is a perfect camp session if you want to camp, but may not yet feel ready for overnight camping.

To attend summer camp, registration must be received at least TWO weeks prior to the start of the requested camp program. However, please be mindful that many popular camp weeks develop waiting lists early in the year. Our programs are first-come, first-served. If you plan to take advantage of a discount, you must register by the discount deadlines ([see following page](#)).

Cancellations and Refunds:

Requests for session transfers (space permitting) and cancellations must be made through an email to info@gswcf.org three weeks prior to the session in order to be completed and/or receive a refund, less the deposit. No refunds will be offered within two weeks prior to the start of the session unless: canceled by GSWCF, the camper is required to attend summer school (notice from school required) or due to illness (physician's note is required). We do not offer refunds for no-shows or campers leaving camp early due to behavior, homesickness or health issues. Refunds are not offered for campers arriving at camp with head lice. Refunds due to cancellation of sessions by GSWCF due to communicable diseases will be provided as follows: if a camp session is cancelled before Tuesday at midnight, a full refund will be provided. If a camp session is cancelled Wednesday or later, a 50% refund will be provided. This policy only applies in instances in which communicable disease outbreaks require GSWCF to cancel sessions or send campers home. Have additional questions? Contact us at info@gswcf.org, call 1-800-881-4475, or visit us online for more FAQs at gswcf.org/summercamp.

A non-refundable deposit is required for each camp session.

Payments can be made on camp balances in any amount, at any time, up until the deadline. All camps balances must be paid in full by May 15, 2025. Failure to pay in full will result in the forfeit of the deposit and your participation in the camp session. All registrations made after May 15, 2025 will require payment in full upon submission.

Discounts & Assistance

Military Discount

We are pleased to offer a military discount of \$100 off any one session. The military discount is offered to campers who have a parent/guardian serving active duty in the United States military. To use this discount, please contact info@gswcf.org prior to registration. You must submit proof of duty status (usually military orders). Do not send a copy of a military ID.

Financial Assistance

“Camperships” are available on an as-needed basis for registered Girl Scouts of West Central Florida whose financial circumstances might otherwise prevent them from attending camp. In order to apply for assistance, you must register and pay a deposit to hold your camper’s spot in a session. Then, apply for camperships online at gswcf.org/summercamp. Deposits will be refunded if the scholarship amount is not sufficient to meet your needs. Financial assistance applications will be reviewed starting February 5, 2025. If your family is unable to pay the initial deposit, please contact us at info@gswcf.org to discuss alternative options.

Let Cookies Pay Your Way to Camp!

Did you know that girls can use the council money they earn through the council’s product program (Sweets & Treats Fall Product Program and Girl Scout Cookie Program) to help pay for camp? Whether it’s Council Dough or council credit, those vouchers can be applied to some, most or all of your camp costs, or toward items at the camp retail store (i.e., trading post)!

Camp Bucks

If you are planning on using Camp Bucks to offset the cost of the camp registration, be sure to register early and pay the deposit to save your camper’s spot. Once Camp Bucks have been issued, they will be applied to your camp balance. Your deposit will be refunded if your Camp Bucks cover the cost of camp in full. Camp Bucks aren’t just to pay for summer camp. They can also be used to pay for a family weekend camp or a camp care kit for your camper.

Healthcare Policies

Communicable Diseases & Healthcare Policies

The safety of our campers, staff members and volunteers is the highest priority for Girl Scouts of West Central Florida (GSWCF). Based on recommendations from the Centers for Disease Control and Prevention (CDC), Girl Scouts of the USA (GSUSA), and the American Camping Association (ACA), camp policies are updated regularly. Up-to-date protocols can be found on GSWCF's website at gswcf.org/summercamp. Please review the policies annually. While we are committed to keeping the camp experience as consistent and magical as possible, regulations may change throughout the year.

Health Check

In order to ensure the safety of the entire camp community and maintain a positive experience for all, campers are evaluated for the following during the check-in process:

- Fever of 100.4 degrees or higher
- Symptoms of any contagious condition
- Head lice or evidence of lice in any form
- Any injury or condition that needs immediate medical attention

If any of the above conditions are found, the camper will not be allowed to remain at camp.

If a camper is sent home at check-in due to a fever or symptoms of a contagious condition, she may return with a signed letter from her physician stating that she does not have a contagious condition and is in good health. In cases of head lice, a camper must wait 24 hours, be free of signs of lice or nits, and be rechecked upon her return to camp.

Arrangements to attend a later GSWCF 2025 camp session may also be made, if space is available. The final decision is left to the discretion of the camp director.
