No paper forms to fill out, no checks to write, and no waiting to find out if your girl got into her first choice sessions! Just reserve your spot for summer fun online. GSWCF makes it easy to plan your summer adventures through the Summer Camp section of our website. Here's how:

1. Visit us online at [gswcf.org/summercamp](http://gswcf.org/summercamp)
2. Find your girl's preferred session and click on the link to register
3. Pay the deposit for each session you want your camper to attend

For help with the complete registration process contact [CustomerConnections@gswcf.org](mailto:CustomerConnections@gswcf.org), or call 1-800-881-GIRL (4475).

## NOT A GIRL SCOUT? NO PROBLEM!

The best part is that girls entering grades 1-12 can attend camp. Non-Girl Scouts simply pay a \$25 membership fee in addition to the camp fee to become a registered 2018-19 Girl Scout member. A \$25 membership fee is not required for family members of a Girl Scout attending Family Camp at Camp Wildwood.

## Register to Get On Board the Bus!

Just \$40 round trip!

Bus transportation is available to Camp Wildwood for full week and two-week overnight camps! Pick-up and drop-off are available in Tampa at the Girl Scout Leadership Center, and in Plant City at the Plant City Troop House. Bus rides will be supervised by camp staff who will lead road trip games and camp songs.

Pre-registration for bus transportation is required. A bus fee of \$40 to cover travel to and from Camp Wildwood must be paid online at the time of registration.

Look for the bus symbol next to all camps in the guide that have bus transportation available!
