

Good Turn Day 2019

Girl Scouts of West Central Florida and The Salvation Army

For the Girl Scouts to earn a Good Turn Day patch in 2019, GSWCF is partnering with The Salvation Army to conduct a four-week donation collection campaign. From **February 3 to March 2**, scouts will be using any bags and boxes to collect unwanted but useable clothing, shoes, clothing accessories and small household items from the public. Then each troop will weigh its donations and keep a running record of the total poundage collected before delivering the donations to its local collection site.

The campaign's accomplishments will later be recognized on **Saturday, March 16 at 8 a.m.**, at the four designated Salvation Army collection sites, where the scouts will enjoy a pancake breakfast and presentation of their Good Turn Day 2019 patches and gifts to the troop that has collected the highest total poundage of donations. The event will end with a tour of the facility.

Design of Patch
