

My Cultural Treasure Tiles!

Our cultural and family heritage is the ground upon which we learn to walk and understand the world. In this activity, we're going to make *Cultural Treasure Tiles* to show the kinds of gifts and experiences that have been passed on to us. This is a great way to express more about our family heritage and have fun learning about our culture, too! No art skills are required.

Materials needed:

6 pre-cut pieces of paper

Glue

Construction paper, colored paper

Pencil, markers, colored pencils
