

DIY Playwriting

Playwriting- the activity or process of writing plays.

To make a play you need:

1. Characters who want something
2. Obstacles to getting what they want
3. Creative FUN mind!

Make your play come to life!

1. Look around the house for costumes
2. Set up a stage in an open space- Ex: in your living room
3. With permission, you can have a family member record your play.

Be sure to share with us your creation by using the hashtag #GirlScoutsAtHome, #GSArtShow and tagging us @gswcf on TikTok, Instagram, or Facebook!
