

For Girl Scout Juniors, Cadette, Senior and Ambassador Troops Special Troop Proceeds Opt-Out Program

For the 2021 GS Sweets and Treats Program, Girl Scout Juniors, Cadette, Senior and Ambassador Troops have the opportunity to select the opt-out program!

Troops who decide to opt out of rewards, will receive all patches, Digital Cookie and Gift of Caring Rewards. They will also receive additional 2% in proceeds for total 17% for all sales.

Together, girls and their adult leadership begin the Girl Scout year by working through the 5 Skills for girls: setting program goals, making decisions, money management, people skills and business ethics. Many of our Girl Scout Juniors, Cadette, Senior and Ambassador troops have very ambitious activities planned, and while rewards are nice, they see a need for funds to support their many projects.

The decision to participate in the opt-out program should be decided by all girls participating in the 2021 GS Sweets and Treats Program. All participating girls must be present to sign the opt-out agreement on the reverse side of this flyer and turn it in to the Service Unit Fall Product Manager at the end of the program.

Tips for Opt Out troop discussions:

- Discuss troop budget and troop goals
- Have girls calculate troop proceeds and how much additional proceeds would be earned if opt out
- Explain opt out must be 100% agreed upon by all girls
