

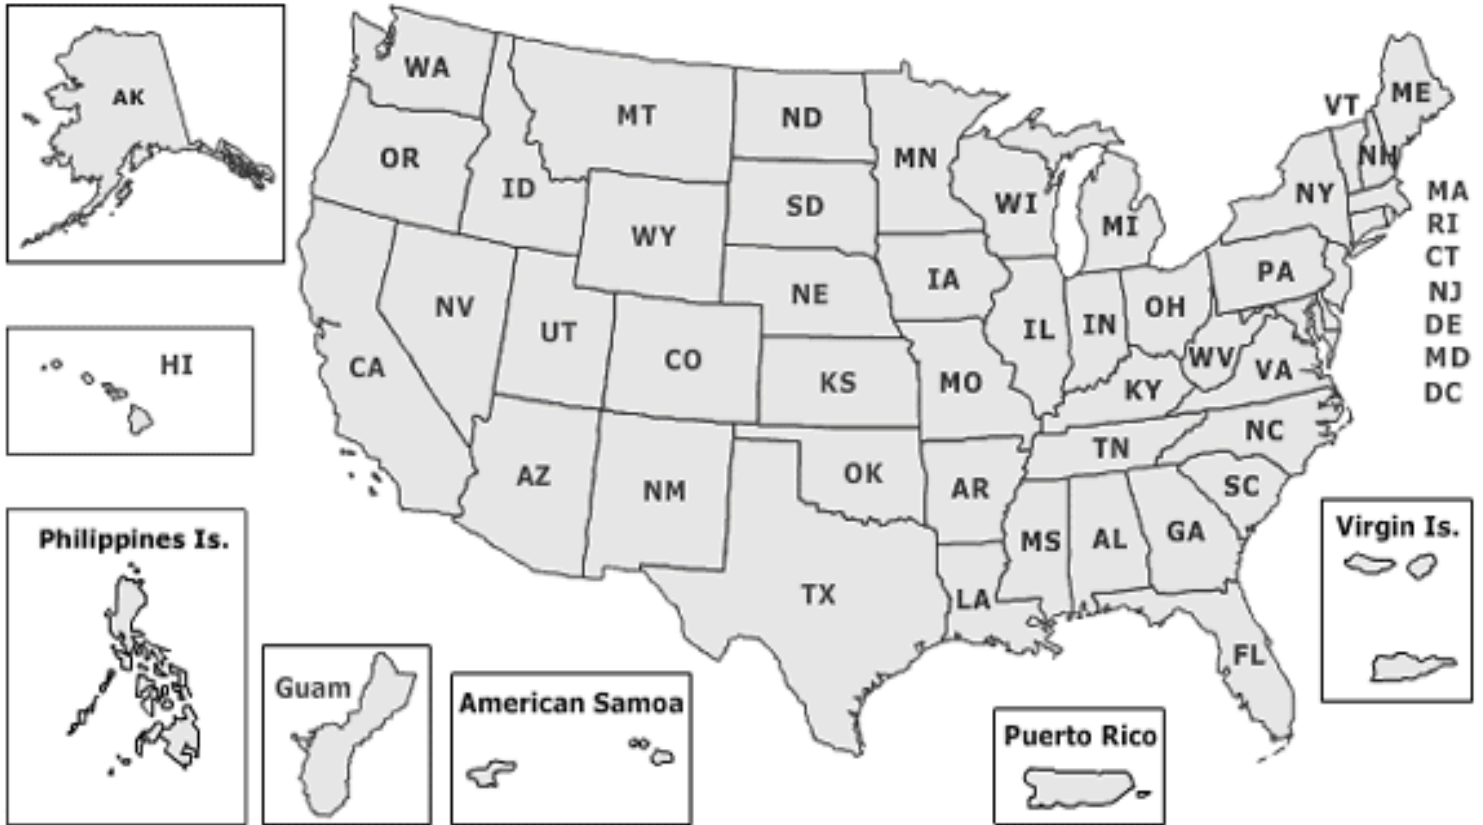

MAP IT: Girl Scouts Around the World

Our extraordinary journey began more than [100 years ago](#) with the original G.I.R.L., Juliette Gordon “Daisy” Low, who believed in girls’ ability to empower themselves and make a difference in their communities. Today, there are 2.7 million Girl Scouts – 1.9 million girls and 800,000 adult members who believe in the power of every **G.I.R.L.** (Go-getter, Innovator, Risk-taker, Leader)

Therefore, you probably already know there are Girl Scouts and Girl Scout sisterhoods all over the globe.

Instructions: Where on the map do you think **Girl Scouts** participate in girl scouting? Follow the map and check off the states/territories you think represents Girl Scouts!
