The National Leadership Journeys and *The Girl’s Guide to Girl Scouting* are the exciting program resources girls use as they become leaders in their lives and in the world. The Journeys are the **HEART** of Girl Scouting. When a girl goes on a Journey, she develops the skills she needs to take action and change the world. The National Proficiency badges in *The Girl’s Guide to Girl Scouting* are complementary to the Journeys. Badges help girls build specific skills in particular topic areas. Think of the Journeys as the path to becoming a leader, and badges as one stop along the way!

**The Girl’s Guide to Girl Scouting** $19.50

Girl Scouting has never been more exciting than with this new program resource. Girls and volunteers will love the fun, eye-opening activities and the all-in-one badge book and handbook format. *The Girl’s Guide to Girl Scouting* complements the National Leadership Journeys by helping girls build skills to become successful and gain the confidence to do amazing things! Beautifully designed, these binders are divided into three sections and contain everything girls need to know for a rewarding Girl Scout Leadership Experience.

- **Handbook Section**
  Provides information about Girl Scout history, traditions and an Awards Log by age level.

- **Badge Section**
  Provides earning requirements for the Legacy, Financial Literacy, Cookie Business and Make Your Own Badges.

- **My Girl Scouts Section**
  Includes scrapbook and journal pages so girls can record their own Girl Scout experience.
