AT-HOME EDITION

**Sat. November 21,
6–8 p.m.**

Join us for Dessert First At-Home Edition, where you'll participate in a live cooking demonstration by a Tampa Bay Area chef streamed right to your kitchen while you create their one-of-a-kind, Girl Scout Cookie-flavored dessert in the comfort of your own home.

Choose a Girl Scout Cookie flavor from one of our top-selling varieties (Thin Mints®, Samoas®, Tagalongs®, Trefoils®) and we'll provide a kit that includes a box of cookies, a recipe card with full ingredients and directions, an event program detailing the night's activities and more. Register quickly—space in each cooking session is limited and cookie flavors are chosen on a first-come, first-served basis.

**Purchase tickets at
DessertFirstTampa.com.**
