

Space Science Adventurer Badge for Brownies

Get up close and personal with our outer space neighbors while becoming a **Space Science Adventurer!**

1. *Meet Earth's outer space neighbors!*
2. [See more of our solar system than before.](#)
3. *Investigate the Moon.*
4. *Be a stargazer. Try out this [DIY Constellation Viewer!](#)*
5. *Celebrate and share!*

Don't have access to your own telescope or binoculars? No problem! Visit [this website](#) for a list of LIVE telescope feeds **all over the world**. Once you've checked out some views of space, head outside and see if you can spot the **moon** during the daytime and make some observations.

What is the shape of the moon?

Is it hard to see?

Is the moon rising or setting?

Did you know that Mae Jemison was the first woman of color to go into space? Check out more about Mae [here!](#)

Want to learn about some famous Women in Space? [Check out Nicole Stott](#), an **astronaut and an **artist!****
