Supplies

- Week 3 Template
- White Paper or Cardstock
- Pink Paper
- Glue Stick
- Pencil
- Scissors
- Crayons or Markers
- Pink Feathers
- Pink Yarn
- 1 Pink Pipe Stem Cleaner
- 1 Googly Eye (optional)

Instructions

- Step 1: Use your imagination to create a background on the white piece of paper for your Flora. (ex: water, beach, sky)
- Step 2: Trace and cut out your handprint on the pink paper and glue onto your background. Leave a little bit of space at the top and bottom of the paper for the head and legs.
- Step 3: Cut out the template for Week 3 (Flora's neck and head) and color.
- Step 4: Glue the colored template to the base of the handprint, tucking it under the palm.
- Step 5: Glue a googly eye if you would like.
- Step 6: Glue a feather to the top of the hand.
- Step 7: Cut the pipe stem cleaner in half and pose them as you would like. Gluing pipe stem cleaners can be tricky, so hold for a few minutes until dry.
