It was brought to our attention that the recent monthly eNewsletter for Leaders and New Leaders had two invalid links. Please see below for the updated information. We apologize for any inconvenience.

Checking in- How are you doing?

So much has happened in the past few months. Though some things may never be quite the same again, Girl Scouts is still here supporting girls and advocating for their growth. We are able to do this because our volunteers like you, but we know life is tough now and much different from when you volunteered to be a leader.

Tell us how we can help! We are here for you and want to learn how we can support you, even if that means you need to step away from being a Girl Scout leader. All leaders who complete the [Leader Survival 2020 survey](#) will receive a free patch, and be entered into a random drawing to win one of three \$50 Target gift cards!

We're here for you.

[TAKE THE SURVEY](#)

Events

Due to demand, registration for this event is being reopened. The event will be listed on the [GSWCF Events](#) page starting tomorrow (Thursday, June 4) and will remain active until noon on Friday, June 5. Or, you can register today by logging into your [MyGS account](#) and clicking on the "Activities" tab.

World Oceans Day - June 6 at 11 a.m.

Celebrate World Oceans Day by learning why water is important, what a watershed is and see a demonstration of how it works. Keep Pinellas Beautiful will explain marine debris, including micro plastics, and how we can protect our oceans starting right here in Tampa Bay! Girls will receive a patch in the mail upon completion. This event is for all grade levels open to Girl Scout families and friends.

Have a question? Don't be shy!
